Child Foundation, Inc. Invites Public to Reception to Meet Baby Miracle

Miami, FL – February 21, 2008 – Child Foundation, Inc., along with T.H.O.R.N. Ministries Inc. invites you to an informal reception at the beautiful waterfront home located at 1370 S. Venetian Way on Monday, February 25, 2008 from 4 pm to 7 pm. This fundraising event is in honor of our newest bundle of joy, “Baby Miracletina”. Born five months ago with multiple birth defects and deformities, she was not expected to survive for more than a few hours in her native country of Samoa. Baby Miracle survived her uncertain beginning and has since arrived in Miami to begin medical treatment for the correction of her birth defects and deformities.

While the services of Dr. S. Anthony Wolfe, Dr. John Ragheb and Dr. Deirdre M. Marshall are being generously donated, the hospital expenses are not covered. Child Foundation’s goal is to raise the necessary funds to support her medical care at Miami Children’s Hospital and help her to embark upon a normal life. Please join us along with representatives of Miami Children’s Hospital, Polynesian Cultural Dancers, Samoan Chiefs, area clergy, and members of the medical community at her reception on Monday, February 25, 2008, from 4 pm to 7 pm at 1370 S. Venetian Way.

Child Foundation, Inc., a 501(c) (3) organization, is composed of dedicated physicians, corporate executives and volunteers committed to helping uninsured children worldwide who are born with physical deformities and birth defects. Our task is to raise the necessary funds to help defray hospital expenses that are incurred in treating these precious children. Our goal is to give these children a more positive self-image, and the quality of life every child deserves through necessary medical treatment.
